The Japanese calligraphy on the cover of the Lens reads from top to bottom, "Hands Across the Pacific." Because this edition of the Lens is dedicated to Minami High School, it is only fitting that all the calligraphy and art work used in the book was done by Minami students. The pictures of Minami High School and its students were sent to the Lens in the form of a memorial scrapbook. The contribution that Washington students made to the book is the collection of haikus, traditional Japanese poetry, written in the high school English classes for use on the seasonal section dividers.

## WASHINGTON HONORS SISTER CITY

Superintendent Sapporo City Board of Education  
Yoshio Nakajima

Superintendent of Portland Public Schools  
Melvin Barnes

Minami student body is similar in size to Washington's, numbering 1600 to Washington's 1500 students. At Minami, however, the population is rather one-sided, since the boys outnumber the girls two to one, and only one-third of the faculty are women. Both schools have benefitted recently from new buildings, although the remodeling has been more extensive at Minami, as they have received a whole new school building, while Washington's new facilities consist of a new gym, and a new classroom wing with a cafeteria in the basement. Both schools hold many traditions, as Minami is 76 years old, and Washington will be 60 years old in 1966. The interest of students seems to be the same the world over, but especially so, between the sister schools, the students are almost identical in their extra-curricular activities.

Athletics play an important part in boosting the spirit of any student body, and the student bodies of Washington and Minami are especially endowed with capable teams and enthusiastic spectators. Minami teams participate in skiing tournaments, ice-skating during the famous Snow Festival, soccer played in an intra-mural program, judo, hand wrestling, fencing, baseball, ping-pong, tennis, track, and sculling (much like canoeing). Minami students also participate in interest clubs, such as English-speaking clubs, the Tea Ceremony Club, science clubs, math clubs, and Chinese calligraphy clubs. The Japanese students also participate in many of Sapporo's parades, dressing in elaborate costumes for the School Festival which lasts four days.

The sister-school relationship has developed lasting friendships among the leaders of the respective student bodies, and has caused understanding between the peoples of the two societies. The exchange of pictures, letters, tape recordings, gifts, and scrapbooks have strengthened the relationship to the point that it is appropriate that the 1965 *Lens* be dedicated to Minami High School in Sapporo, Japan.

Washington High School Principal  
Harold A. York

Minami High School Principal  
Yoshimatsu Yamazaki

"Hands Across the Pacific" have been stretching for five years over five thousand miles as a result of the initiative of Washington's 1960 Spring Student Body President, Dave Goldfoot. He wrote an invitational letter instigating the sister-school relationship with Minami High School in Sapporo, Japan.

A Sapporo Committee was organized at Washington; a Washington Committee was created at Minami. From the first, each committee worked to uphold the amity between the schools through the exchange of letters, pictures, tape-recordings, and gifts. In addition the committees sponsored assemblies for the student bodies to foster knowledge of the foreign customs. These programs have included realistic portrayals of Japanese and American ways of life.

The chasm between the two societies has been bridged through the diligence and working curiosity of both student bodies. Goodwill visits by cultural ambassadors from both schools have furthered the concept of "Hands Across the Pacific."

Because we have discovered that the students of the two schools are different in some ways, yet alike in so many others, we wish to express our friendship on this fifth anniversary by dedicating the 1965 *Lens* to our sister school, Minami.

## RECREATION PROVIDES RELAXATION FOR SPECTATORS AND PARTICIPANTS

Hand wrestling proves to be a popular international sport as a test of strength and concentration.

Track and Cross Country are favorite sports at Minami. Here a boy wins the 100-yard dash "by a mile."

Minami students enjoy a fire meeting, similar to our spirited pep assemblies.

## STUDENTS PREPARE THEMSELVES FOR THE ENSUING DAY

The path to school is well-trodden and full of hardships, yet the joy of life is just around the next corner.

Students make good use of their library facilities as they cram for final exams.

Learning the art of studying is the main goal of preparation for students planning on entering colleges after high school.

## FALL EXECUTIVE COUNCIL

Through a program of meaningful activities and projects, the Fall Executive Council has attempted to fill the void between purely academic and purely social areas. In the planning and execution of that program the council provided a practical experience in democracy and citizenship while stimulating academic growth. Specifically, the council presented a Freshman Orientation program designed to adjust and encourage new students; planned and sponsored all opening football game activities; and assisted the Dad's Club with the Pancake Ball. Success of these activities was due to the help, cooperation, and support of enthusiastic and sincere Washingtonians.

Most responsible of all student body offices is that held by Jim Law, Student Body President.

The Vice President Sue Schlicker works with the Cabinet in order to have unity between the clubs and the administration.

The Secretary Barbara McGrew prepares and presents all minutes from meetings held by the council.

The Treasurer Linda Chaperon and Assistant Treasurer Kathy Comer develop a workable budget for the Fall term.

The Spring Student Body President Jim Hartley served on the council to gain experience for his Spring term.

The Girls' League President Connie Biehler and Boys' League President Dave Emmett work conscientiously to have a very successful term.

Publicity Manager Bobbi Eide and Assistant Publicity Manager Linda Kiernan were responsible for publicizing all school activities.

As General Council President, Gordon Lee presides over fifty students representing the social studies classes throughout the school.

Senior Class President John Piestrak and Junior Class President Randy Capri organize their respective classes early in the year.

Sophomore Class President Ben Johnson and Freshman Class President George Bailey plan activities which will interest their classes.

## FALL GENERAL COUNCIL

President: Gordon Lee

Vice President Steve Weiner

Secretary: Sue Ann Miller

Sgt-at-Arms: Ben Podemski

The essential purpose of the Colonial General Council is to serve as the principal link of communication between the Executive Council and the student body. Through this communication the General Council strives to establish better relationships between the students, the student government, and the administration.

The General Council also functions as a working member of the Executive Council by coordinating activities and representing Washington High School in conjunction with the council student affairs. The Fall General Council's charity drive, said to be highlighted by a talent assembly, was said to be a success.

As Vice President, Sue Schlicker presides over the Cabinet.

As the student leaders of Washington High School work to plan activities for their fellow students, so the Minami student leaders endeavor to plan interesting activities for their associates.

The Cabinet is composed of all the school-chartered club presidents. It is an effective communication channel between the administration and the clubs. This group organized the Red Cross service projects and the Muscular Dystrophy Drive in which most of the clubs participated. The Cabinet also organized the system of welcoming in new members at club invitational, an introduction and open presentation by each club to prospective new members. At Cabinet meetings the club presidents present and discuss any problems the Cabinet or their respective organizations might have.

We started with the traditional Big-Little Sister Tea and finished with our Girls' League Week entitled "Lollipops and Roses."

Each girl on the council had an opportunity to prove her talents by being in charge of one or more of the various activities we sponsored. We worked together and played together, now we have gleaned a better understanding of one another.

## WHEELS BEGIN TO ROLL

As summer drew to a close, Washington came to life and the Fall Rally made its debut before this year's version of Freshman Orientation.

Katie Cornelius, Maureen McDevitt, and Mike Chartier add their bit of entertainment to the festivities.

Paul Barr assigns Joann Huckins her locker for the coming year.

Minami High School opens its school year with a freshman assembly comparable to our Freshman Orientation.

# OPENING GAME PROMOTES ACTION

Eager senior, Kathy McDevitt, rushes to the first pep assembly of the year.

Spirit was high as the new Fall Rally prepared to present their outfits to the student body.

The Rally revives last year's dead spirit.

Nancy Collins, LeeAnn Foster, Maureen McDevitt, Dee Brennan, Katie Cornelius, and Jeannie Williams say "Hi" for the first time this year. Freshman, Leslie Helin, is crowned queen of the Homecoming Dance. Sophomore Hideko Ibi, her escort Ben Johnson; Senior Linda Rodriguez, her escort John Piestrak; Freshman, Queen Leslie Helin, her escort Jim Hartley; and Junior Sue Ann Miller, and her escort Randy Capri, reigned over Homecoming activities.

## FOOTBALL MOOD REFLECTED IN NIGHT GAMES

This year's football season was cold, damp, and spirited. We may have lost our games, but we never lost our enthusiasm. The students kept showing up, the rally cheering; each touchdown was glorious, and each point against us was heartbreaking.

## PARENTS' NIGHT OUT

Parents of the Washington High School Student Body came to the annual "Back-to-School Night" to visit classes and meet teachers. Before their tours, parents were presented with an assembly during which the school administrators were introduced, and the choir and Felicity Singers, Felicia Wallace, Cindy Knipple, and Mary Stranix, entertained. During the period in which their children were scheduled to eat lunch they were served refreshments in the cafeteria.

## GIRL GETS HER BOY FOR

Shy Ben Johnson gets his proposal for the Sadie from Mary Alice Hinchliff. Friday night — students storm the doors of Dogpatch, W.H.S. Gentleman Jim and the Horsemen wailed “all night long.” ‘Ma’ and ‘Pa’ (Bobbi Eide and Lynn Stainbrook) present Louis Martin and Rachel Brown, winners of the dance contest, with record albums. The biggest crowd of the year “cools off” immediately following the crowning of Ma and Pa Yokum.

## SADIE HAWKINS

## SPIRIT SHOWN AS SENIORS TOP TOTEM POLE

The totem poles of Minami and Washington High Schools represent the spirited participation of each. The Spirit of our classes is measured by points earned in pep assemblies, Girl and Man of the Month for various qualities, and the percentage of students on the scholastic honor roll. Minami's pole is significant of the pride they hold in their school.

Washington's new football coach, Mr. Herbert Hawkins, faced a rough football schedule with an inexperienced team. Welcoming a squad consisting of 7 seniors and 28 underclassmen, Coach Hawkins formed a solid team for next season.

In all their games this fall, the Colonial team never gave up but fought spiritedly through the season. Although not being able to score a victory, the Colonials placed 4 men on various all-city teams. Getting a 2nd string berth from the Oregonian was Washington's junior fullback, Craig Olsen. Also placed on the Oregonian's honorable mention team were senior captain Don Foster at halfback, and junior Rick Cavanaugh at guard. Selected for the Journal's honorable mention team were Don Foster and Jim Irvine.

Looking forward to next season, Washington has 15 returning lettermen compared to the 5 that returned this year.

The Washington Junior Varsity team finished the 1964 season with a record of 1-6. The only moment of glory for the JV's was a stomping of Marshall 32-0 at Buckman field. Coached by Richard Fulton, the bulk of the junior footballers was forced to play Varsity games. Unable to study their opponents' defense or offense, the JV's were at a great disadvantage when meeting the opponents. Outstanding members were Bill Kirkpatrick, Charles Windal, Mike Raffaele, and Fred Nall.

A revived Colonial spirit paraded around this season in the form of the Freshmen Football Team. Sporting a great 4-1 record, the Frosh were undefeated until the last game of the season.

Coach Mike Doherty had talent galore in Willie Stoudamire, Silas Davis, and Joe Ormond. The team chalked up impressive victories over Grant, Marshall, and a tough Madison squad. The perfect record was shattered in the final game against Cleveland when the Frosh were defeated 14-13.

## CROSS COUNTRY

Head Coach Willis Packham faced a duty of rebuilding and molding an entire Varsity Cross Country team lacking in numbers and experience. The squad led by harriers Tom Post and Don Persons, turned in an admirable season. The young team should be ready to supply plenty of competition for opponents since Don Persons, Tom Post, Ben Johnson and John Ormond will be returning next season.

First row: Jim Kirby, Ben Johnson, Gilbert Kossak. Second row: Mr. Packham, John Ormond, Tom Post, Don Persons, Barry Stephens.

Jim Kirby.

Mike Yerkes

The J. V. Cross Country team welcomed an array of freshman runners. The junior distance runners were forced to run a torture-filled 1-4/5 mile. Outstanding members included Daryl Putnam, Rod Leech and Ken Thompson. Coach Packham can look forward to having these boys around next season.

First row: Rod Leech, Dan Merklin, Dan Thompson. Second row: Mr. Packham, David Narkaus, Ron Wood, Barry Heffernan, Barry Stephens.

## SOLEMNNESS OF SEASON REFLECTED IN SONG

The instrumental and choral groups practice many weeks for the solemn and beautiful performance given annually for the school and community. The opening processional to this Christmas Program creates the mood for the evening by its soft candlelight and muted tones.

The Christmas program gives the parents of Washington students an opportunity to hear the choir and band perform their seasonal arrangements. This evening performance was well attended and thoroughly enjoyed by the students and community.

## "PANCAKE BALL GOES

"Pancake Ball goes Timberline in '65" was the theme for the annual Dad's Club function. Attired in ski apparel, everyone enjoyed this fun day. A Hootenanny, Pancake eating contest, and the Dinner sparked the afternoon's activities. In the evening, a tense game and live-combo dance were highlighted. To the right are pictured candidates from each class for King and Queen of the Pancake Ball. Barb Peterson and Ed Menache; Sue Dowell and Dan Carpenter; Candi Davis and Tim Brown; and Marilyn Cornelius and Rod Jenkins represent their senior, junior, sophomore and freshman classes respectively.

Dear Faye

How are you, im sorry that I have not had a better chance to know you better because I think you'r a sweet sid and I hope also we have a class next year again together so we can have fun yah! yah!

## EXCHANGE STUDENTS HONORED IN WA-HI ASSEMBLIES

"I love a sun-burnt country!" states Lesley Hackett, our American Field Service student from Perth, Australia. In her assembly, she showed slides and spoke about her native country; and at one point in her presentation, Lesley was joined by Sue Lukrofka and Stephanie Fincher in the singing of "Waltzing Matilda."

*The mountains grow tall  
The leaves and branches grow small  
In eyes of young men.*

—DAN CARPENTER

Washington's exchange student to Italy last summer, Nancy DeGraw, and our visiting student, Lesley Hackett, from Australia posed on the day they welcomed the exchange students from other schools. Each student spoke about his country and, like Christina Lim displaying a mat from Singapore, showed some of his native culture. As a finale, Lesley Hackett, Nancy DeGraw, Carlos Bravo of Ecuador, Pora Suthusanasuang of Thailand, Christina Lim of Singapore, and Stephan Heilbrunner of Germany joined in singing the A.F.S. theme song.

## BOYS' LEAGUE DANCE WAILS

## VARSITY BASKETBALL

Coach Mike Doherty, Bob Lindgren, Willie Stoudamire, Don Matthews, Charles Preston, Terry Kirkpatrick, Ed Stauffer, Ron Campbell, Jim Hartly, Mike Livingston, Jackie Smith, Jim Roberts, Manager.

The Washington Colonials, picked for last in the P.I.L. by the Portland news media, shocked the basketball experts by finishing in third place. Washington was the only undefeated P.I.L. squad in preseason play, with victories over Gresham and Newberg. Keeping up their winning ways, Wa-Hi rolled over 7 straight P.I.L. foes. Meeting the eventual second place team, Jefferson, the young Cols bowed in the second half of the ball game and had their 9-game winning streak snapped. Trying gamely to bounce back against Cleveland, Washington found themselves the victims of a freak accident which resulted in the loss of All-City forward Ed Stauffer and loss of the game. Meeting the state bound Grant Generals, Washington fell to its third straight setback.

The amazing Colonials continued their winning ways into the second round of P.I.L. play by bouncing the Franklin Quakers 78-47. Following this easy victory the Washington basketballers nudged Lincoln 50-48 in overtime and overcame Wilson 55-51 in

regulation play. Wa-Hi next met the improved Madison squad and fell as the Senators shot 65 per cent from the court and nipped the disheartened Cols 62-61. The Washington "5" renewed their victory string as they rolled past Marshall 58-48, Benson 69-68 and Roosevelt 46-44 in an exciting overtime battle. With the second berth for state on the line the Colonials met the red-hot Jefferson Democrats. Displaying real hustle and with both teams showing amazing speed the maroon and gold bowed to the Demos 76-73. The Wa-Hi men then fell victim to a surprising Cleveland team. In an exciting bout at the Coliseum, the state-bound Generals felt the pressure as the Colonial men poured on the steam. After a hard fight Washington fell to Grant giving the Colonials a 15-7 record and a solid third place in the P.I.L.

Coached by Mr. Paul Poetsch, the team did defeat Marshall, Benson and Roosevelt. Outstanding players on the J.V. squad were Bob Lundahl, Ron Hoodye and Don Holden. The team should be able to send a good squad up to the varsity next season.

The Varsity Wrestling team snapped a 27 meet losing streak by upending the Jefferson Democrats 30-17. With a little luck the wrestlers could have had a good season. The Colonials lost the meet to Roosevelt 30-28 in the last few minutes. Coach C. J. Mayte selected Rick Cavanaugh, George Wise and Randy Capri, all underclassmen, as the outstanding grapplers. Cavanaugh lost a decision to the state champion McNary of Marshall in the city matches. Capri and Wise placed very good in the city standings and should provide the 1966 wrestling team with plenty of experience. Also returning next season will be Gil Woo, Ed Olsen, Terry Merkling and Cliff Frazer.

Mike Saparto is given a hard earned victory over a taller Lincoln opponent.

Judo, the Japanese equivalent to our sport of wrestling, is enjoying a boost in popularity in the United States. In 1964, judo was introduced as a competitive section to the Olympic games in Tokyo. The Japanese were favored in the event against competition from Korea, the United States, France and the Soviet Union. Judo is taught in all Japanese schools and is considered a form of self-defense. As a sport, it is now practiced throughout the United States by over 50,000 Americans in 600 judo clubs.

The Junior Varsity Wrestling squad started off the season by walloping Centennial of the Metro League 46-5. The J.V.'s could not follow up this outstanding victory and fell into a bad slump. Coach Walter Aldredge named Dennis Brisbane and Gary Warlen as the outstanding wrestlers on the team. The young squad should provide the varsity team with plenty of talent next year.

Panelists are, from left, Dr. Laurence Winter, assistant superintendent of Portland schools; Rev. Paul E. Waldschmidt, CSC, University of Portland president; Mr. Harold A. York, Principal of Washington; Dr. Rufus Cornelson, associate director of National Council of Churches; and Rabbi Yonah H. Geller of Congregation Shaarie Torah.

"The best combined Brotherhood Week assembly and George Washington's birthday assembly ever held at Washington," were the words of Principal Harold A. York when asked to comment on the tele-lecture held at Washington this spring.

Arranged and planned by the students of Mr. Berkham's seventh period American Problems class, the assembly featured Justice Tom Clarke in a telephone speech to one thousand, five hundred students who filled the gym in silent awe. Mr. Justice Clarke spoke on the meaning of brotherhood to Americans who live in a "melting pot of nations", composed by everyone, composed of YOU, "the U-NITED States of America—one big Brotherhood."

## Justice Clarke Speaks at George Washington-Brotherhood Assembly

As student hosts and hostesses sit with visiting dignitaries who were invited to lead discussions in the reg. rooms after the tele-lecture, fifteen hundred students filled the gym and sat in respectful silence as they listened to Mr. Justice Tom Clarke speak on brotherhood.

## SPRING EXECUTIVE COUNCIL

During the Spring term of 1965, the Executive Council has endeavored to uphold the high standards of Washington High School student government. Through the course of their term in office, the student officers successfully improved our school constitution and also sponsored and planned nearly all major student functions during the Spring term. For example the May Fete, providing representatives on the Portland Area Traffic Safety Commission and providing representatives on the Metropolitan Youth Commission. The Council also organized two radio programs based on important teenage problems. The most satisfying accomplishment is that of developing, for the first time in our school's history, an official seal which will be placed on all letters or documents concerning our school.

Student Body President Jim Hartley works with his council to plan activities which will achieve successful student participation.

Candy Marcum, Vice President, represents the Cabinet on the Executive Council.

The Secretary Mac Crocker assumes the responsibility of recording all the Executive Council's minutes.

The Treasurer Kathy Comer and the Assistant Treasurer Sue Dowell work diligently with Student Body Expenditures.

Phil Hockman, the Fall Student Body President, serves on the Executive Council one term before assuming his responsibilities as Fall Student Body President.

The Girls' League President Sandy Jones and the Boys' League President Mike Livingston endeavor to plan functions for their respective organizations.

Publicity Manager Linda Kiernan and Assistant Publicity Manager Mary Hadlock work hard to promote our school activities.

As General Council President, Duane Epton presents suggested ideas received from the General Council to the Executive Council.

Senior Class President John Piestrak and Junior Class President Randy Capri represent their respective classes on the Executive Council.

Sophomore Class President Ben Johnson and Freshman Class President George Bailey gain experience for their further term of work on the Executive Council.

## SPRING GENERAL COUNCIL

President: Duane Epton

Vice Pres.: David Butler

Secretary: Karen Wallace

Sgt-at-Arms: Jan Saari

The Spring General Council is composed of student representatives from the social studies classes of freshman, junior and seniors, and the sophomore English classes.

The Council had the responsibility of organizing the "Pride Board" and the Totem Pole. The "Pride Board" has pictures of the man, girl and athlete of the month on it. It was placed in the main hall of the school. The Totem Pole is the representation of the spirit shown by each class in basketball games, pep assemblies, and other school functions.

The Spring General Council was also responsible for the raising of funds for the Oregon Historical Society. The Council had a very successful term with each representative working hard to uphold the tie between the Executive Council and students.

Second row: Mike Eivers (Trix), Ray Bowman (Order of W), Charles Stevens (Pack), Steve Weiner (Knights), Steve Elle, (NHS), Steve Wilson (Euk), Doug Horine (Cine), Allen Stephens (Thespians).

The Spring Cabinet continued to sponsor the service program. Washington High School's fourteen school-chartered clubs voluntarily perform service for their school and community. Each hour of service earns a specific number of service points. Service is categorized into one of three groups:

Hard labor earns three points an hour and consists of activities such as serving at dinners, baby-sitting, playing with children at baby homes and washing statues.

Semi-hard labor earns two points an hour and consists of projects such as decorating the school library case, teaching Sunday School, washing windshields and pushing carts with candy, stationery and periodicals on them from room to room in hospitals.

The third group of activities are worth one point per hour of service. Projects such as working in the school's Main Office, the Counseling Office, the Dean's Office or the Student Body Store, marching for drives, making tray favors for hospitals and donations (per dollar) from clubs to various non-profit-making organizations.

These worthwhile activities provide opportunities for our students to work for the betterment of our community and our school.

Candy Marcum, Vice President, represents the Cabinet on the Executive Council.

The Sapporo Committee this year celebrated its fifth year of conducting a sister-school relationship with Minami High School in Sapporo, Japan. In March 1960 the students of Washington High School, under the leadership of Principal Clifford J. Skinner and Student Body President David Goldfoot, sent a letter to Minami High School expressing a desire to establish a sister-school relationship. Upon Minami High School's enthusiastic acceptance of our proposal, a close and enjoyable relationship between the two schools began. Since 1960 we have exchanged many letters, photographs, books, films, tapes and visitors, all of which have led to further good will and understanding between the two schools. Mrs. Ione Walker, former member of our faculty, visited Minami High School this year and presented gifts and greetings from our school.

Each Spring the Sapporo Committee has planned a week for celebrating our relationship with Minami High School. This week includes such varied activities as a coffee for visiting dignitaries, an assembly, displays and contests of student projects on Japanese themes, and films on Japan.

Our school has greatly enjoyed and benefitted from our relationship with Sapporo and Minami High School, and we hope that our activities will continue to strengthen the bonds of international good-will and friendship.

## WASHINGTON HONORS SISTER SCHOOL IN ASSEMBLY

The singular music of the Japanese koto, a stringed instrument, lent atmosphere to the colorful dances of Hideko Ibi, Yoto Abe, and Yasuko Sato. Janice Severy, the hardworking chairman for the assembly, led the program as hosts Duane Epton and Jim Law, looked on. One of the many honored guests was Yoshimi Hasei, the invaluable consultant for the *Lens Staff*.

## FACULTY RAISES THE ROOF

Once every two years the Washington faculty members let down their hair and entertain their pupils in one of the most popular assemblies. This year the teachers gave their impressions of student activities. Mr. Surbrook, Mrs. Ward, Mrs. McMahon, Miss Withycombe, and Mr. Blattman led their avid students in a rousing rendition of "Give 'em the Axe" with Mrs. McMahon serving in the position of Rally King for this noble endeavor. Meanwhile, backstage, Mr. Melnichuk, Mr. York, Mr. Aldridge, Mr. Heick, and Mr. Ashenbrenner passed around congratulations and condolences on each other's performances; one of the most widely appreciated being that of Mr. Willis Packham in the capacity of "Can-Can Girl."

## SHAMROCK BALL

### ST. PATRICK GOES CRAZY

Our annual Shamrock Ball was held in celebration of St. Patrick's Day. Events of the day were a talent assembly, a basketball game between the faculty and all-stars and a dance.

Joe Ormond and Debbie Banzer, freshmen representatives, reigned over the activities in the capacity of Brother Pat and Sister Sham.

Wild Bill McCord and Chuck Hunt await a rebound.

Pictured are senior representatives, Seja Borich and Mike Livingston. Others were juniors, Jean Billeter and John Haek; sophomores, Lori Hertzberg and Gene Hixson.

The Spring Boys' League Week, entitled "Boys' League Goes Wild" was an enormous success. Under the leadership of Mike Livingston, Washington had its first Slave Sale of the year. From this sale the League earned \$65.

Crowned Ben and Bonnie Bowser were senior candidates, Pam Rowley and Marty Abelsen. The other class representatives were: freshmen JoAnn Huckins and Keith Brice, sophomores Mary Alice Hinchliff and Eric Bergstrom, juniors Julie Horine and Craig Olsen.

Jack Ely and the Squires, the main entertainment for this assembly, were well-accepted by Washington students as their music correlated with the theme.

# GIRLS' LEAGUE GOES TO THE LAND OF OZ

"The Land of Oz" set the scene for Spring Girls' League Week. At an early Monday morning assembly, the candidates from each class for the title of Dorothy and Wizard were announced.

Also on Monday, after school, a free charm course was offered for all Washington High School girls.

Class Clash Day was held on Tuesday with everyone wearing odd combinations of outfits. A basketball game between Boys' and Girls' Leagues was staged. Girls' League lost and consequently, admirable President Sandy Jones received a pie in the face.

Pictured are the court consisting of Sophomores, Diane Scheftner and Douge Eide who were crowned Dorothy and Wizard; Freshmen, Linda Hannon and Robert Chamberlain; Juniors, Linelle Westhusing and Norm Hunt; and Seniors, Mary Lee Miller and Bruce Morrow. Jim Ravagni, Freshman, and Phil Hockman, Junior, were class representatives, but were unable to attend.

The Coventry Singers from Cottage Grove, Oregon, were very well accepted by all. Their folk music provided a special feature for the assembly.

Dave Emmett, Mike Carter, and Kathy Coe portrayed the scarecrow, the tin man, and the cowardly lion, respectively, and they presented the entertainment to Dorothy and the Wizard of Oz.

Karyl Severson sang the title song "Somewhere Over The Rainbow" as a finale.

## HAWAIIAN LUAU HIGHLIGHTS DAD-DAUGHTER BANQUET

The Father-Daughter Banquet is an annual activity sponsored by the Dads' Club and Girls' League. Freshman Alice Hartness and her father were one of the many couples who enjoyed their evening. Here Alice pins a name tag on her Dad as he watches admiringly. Carol Dietrich and Chris Marraccini were two of the models for the lovely fashion show which was sponsored by Best's Apparel and moderated by Jeannie Williams. The delicious Hawaiian food is displayed as Dads and Daughters serve themselves at the buffet dinner.

Girls of the Month are recognized each month for outstanding qualities. Throughout this year these girls were commended: (Front) Kathy Bleid for Leadership, Seja Borich for Humor, Gayle Read for Scholarship. (Back) Candy Marcum for Talent, Monique Beguhl for Spirit, Betty Petersen for Friendliness, and Peggy Thompson for Cooperation. Peggy, a very deserving girl, was named Girl of the Year.

## JAPANESE AND AMERICAN

As evidenced by these pictures, the Japanese people are active and hard-working. Two students take their daily walk to school in a background of lovely trees.

Girls in a typical physical education class exercise vigorously.

Bicycling is a favorite sport and mode of transportation in Japan. Here, a boy takes his bike from the parking area.

## CUSTOMS PARALELLED

Fay,  
 I didn't get to know you  
 very well this year, but of  
~~what~~ what I have seen of you I  
 think your real sweet. Stay  
 that way.  
 Love ya,  
 Mary.

Corvair and Volkswagen meet head-on in beloved Washington High parking lot. Students drive to school quite often.

Devotion to learning is shown in Speech. Gary Lowe portrays the typical classroom listener.

"Speedy" Steve Downey on his skateboard demonstrates superior skill of a popular American hobby.

## VARSITY BASEBALL

First row: Jack Smith, Bob Lundahl, Ray Bowman, Joe Raffaele, Mike Raffaele. Second row: Coach Bill McChord, Bob Lewis, Mike Vashaw, Mike Livingston, Doug Holden, Bill Wymer, Charles Hunt, Craig Olson, Ron Campbell, Tom Shaw.

With the return of only three lettermen and having to face a rugged opening schedule, the varsity baseball team had only a fair season. Under new coach William McCord, the diamond squad did pull a couple of upsets in the past campaign. Outstanding players for the 1965 team were left fielder Joe Raffaele, pitcher and center fielder Mike Livingston, catcher Ray Bowman, and second baseman Jackie Smith. The squad had only three seniors on it, having to rely heavily on underclassmen to supply the main bulk of the team. Many of the varsity ballplayers faced PIL pitching for the first time this season.

Not shirking their obligation, the juniors and sophomores played every game to their best ability. Returning pitchers will be Charles Hunt and Tom Shaw, both sophomore hurlers, and the infield will have sophomore Bob Lundahl and juniors Ron Campbell and Bill Wymer returning.

Slugger Ray Bowman rears back to "rip the cover off the ball" in game played at Buckman Field.

Freshman Doug Holden beats out a hit in first game against Lincoln.

Sophomore Jackie Smith takes a good lead off of first base in encounter against Jefferson.

Senior All-City player Joe Raffaele eyes Grant pitcher as he bangs out another of his many hits.

## JV BASEBALL

First row: Jim Ravagni, Tom Lipscomb, Pat McStravick, Greg Reed, Don Smith. Second row: Steve Smith, John Alldredge, Ron Hoodye, Rusty Kellogg, Gary Barnett, Bob Chamberlain. Third row: Coach Herbert Hawkins, Ron Francher, Allen Hartel, Gary Ellis, Don Bolton, George Bailey, Keith Brice.

The junior varsity baseball team proved to be one of the better "9s" in the city league this year. Coach Herbert Hawkins was supplied with a good number of ambitious ball players and he put them into good use. Outstanding players were hard to find on this year's squad as they all played to their utmost in competition. Combining speed and skill, the junior Colonials showed themselves able to compete in the tough PIL. The cream of the crop included Ron Hoodye, Rusty Kellogg, and Gary Ellis, while the rest of the team played reliable ball. The junior varsity is the only team where Freshman players can compete, as there is not a Frosh ball club. The 1965 JV squad should provide the Varsity with plenty of talent next season.

## GOLF

First row: Bob Alsman, Phil Cartozian, Bob Lindgren, Dan Carpenter. Second row: Ken Stern, Tom Watt, Greg Pederson, Dennis Schliefer, Chris Hunt, Coach Melnichuk.

With only two lettermen returning from the good team of last year, the Varsity golf team looks forward to a fair season. Playing all matches at the Rose City Golf Club, the tee-team did gain a lot of experience towards next season. Under the able guidance of Coach Steve Melnichuk the team produced two outstanding golfers, junior Bob Lindgren and sophomore Phil Cartozian.

## VARSITY TRACK

Head track coach Walter Aldridge welcomed back only a handful of lettermen this year and looked forward to a fair season in the PIL. The best events for the Colonials should be the javelin and the hurdles. Leading the javelin array are Sophomore Mike Yerkes and Junior Gary Muncy while holding down the hurdle position is Junior Will Scruggs. The sprints could be a good event for the team with Charlie Stevens and Don Matthews leading the pack. Senior David Leech is the outstanding man for the Cols in both weight events, discus and shot put. The team will be young and could experience some rough spots but with a little luck they could pull a few upsets.

## JAPANESE TRACK

Charlie Stevens and Willie Stoudamire take off in the 180-yard low hurdles.

Senior Dave Leech puts all he has into throwing the discus against Lincoln.

Willie Stoudamire takes lead in varsity 100-yard dash.

I haven't  
but known you long,  
nice. I hope you are really  
classes together we have some  
Have fun this summer.  
Judy H.

Barefoot Charlie Stevens puts the shot in the Roosevelt meet.

## JV TRACK

First row: Gary Worlan, Scott Hawkins, Gilbert Woo, Jim Churchwell, Gene Bente, Gary Reid, Doug Hoak, Wayne Redo. Second row: Dennis Brisbane, Cliff Frazer, Jim Alto, John Reno, Jim Jorgenson, Howard Spinaz, Rod McCullough. Third row: Waldo Baldrige, Pat Saulsbury, George Wise, Tom McClellan, Tom Tamary, Dave Narkaus.

Led by Ben Johnson, Wayne Redo, Mac Johnson, Scott Hawkins, and Pat Saulsbury, the 1965 Junior Varsity track team turned in a good season. Under the coaching of Mr. Charles Withee, the squad showed real hustle and determination in every track meet they encountered. Helping out the Varsity when they needed them, the JV's gained valuable experience which will help them when they become full Varsity men next year.

## FROSH TRACK

First row: Bill Marler, Randy Marksworth, Silas Davis, Willie Stoudamire, Dan Tinker. Second row: Perry Johnson, Gary Alldredge, Del Haton, George Curteiellas, Doug Bristow, Jim Gile, Bill Walker. Third row: Steve Hoggano, Joe Ormand, Don Brisack, Mark Galbrim, Ralph Dowis, Dave Stein, Steve Brindley.

Under the guidance of Coach Withee the Freshman track team showed real potential to all their PIL foes. Demonstrating a great desire to learn, the Frosh knocked off some hard-nose rivals during the season. The Freshman 440 relay team composed of Willie Stoudamire, Silas Davis, Doug Bristol, and Steve Hodgkins was consistently one of the best in the city. Stoudamire also did an outstanding job in both of the hurdle events. Washington's varsity will be bolstered with the addition of this squad in two years.

## TENNIS

The Girls' tennis team, under the coaching of Mrs. Martha Benninghoff, had one of its best seasons in the last ten years. One of the main reasons for the good showing was A.F.S. student Lesley Hackett of Australia. Lesley combined with fellow net-girls Judy Hockley and Linda Neale and defeated most of their competition. Linda and Judy will be returning next season.

First row: Patty Brennen, Chris Burgess, Judy Hockley. Second row: Virginia Barr, Lesley Hackett, Linda Neele, Susan McKinnon.

The boys' tennis team turned in a great job in PIL competition this season. Welcoming back almost everyone from last year's team, new coach Larry Jackson was given an outstanding season. Returning lettermen were Steve Weiner, Lynn Stainbrook, Jeff Dullum, Duane Epton, and Dan Christensen. A big asset to the racket squad was senior transfer Dave Vancil.

The team played themselves from one victory to another and topped it off by trouncing Madison 5-0 at Buckman. They should continue their winning ways throughout the city competition. The closest match will be against Wilson, who have the number one and two men in the state. All in all this should be one of the most successful years for tennis in Washington history.

First row: Glen Jee, Alan Stephens, Duane Epton, John Wahl, Kent Redford, Jeff Dullum, Ben Podebski. Second row: Pat Fitzsimmons, Gordon Lee, Steve Weiner, Lynn Stainbrook, Dan Christianson, Coach Jackson.

## THE MOUSETRAP presented by Class of '65

Monkswell Manor is the setting. A murder has been committed; two more are to take place. The clues are few. A notebook is discovered on the body of the first victim which gives the addresses of the first victim and the Manor. Below the addresses was written "three blind mice" along with illustrations and a bar of music to the tune of the nursery rhyme. A note was also discovered which read, "This is the first."

There's a scream. The old lady is dead. Who did it: The policeman suspects everyone. The tenants suspect one another. It is discovered that the victims are related through an old scandal concerning a welfare situation where three children were mistreated by foster parents. The first victim is the children's foster mother, the second is the judge who placed them in the foster home, and the third, who is saved, is a teacher who failed to help them.

The murderer is discovered. Two of the children have come back after many years. The sister recognizes her brother who is about to kill the teacher. She persuades him not to harm her. He has posed as the policeman. The mystery is solved.

"Wicked old bag!" "I beg your pardon?"

"Excuse me, Mrs. Ralston, but may I use your telephone."

"You keep away from my wife, Wren. She's not going to be the next victim."

"You're not being very sensible, you know. One of you is in great danger—deadly danger. I've got to know which one that is."

"In a murder case, everyone is under suspicion."

## ALL SCHOOL PLAY

### "THE DIARY OF ANNE FRANK"

The dramatization of Anne Frank; *The Diary of a Young Girl* stages a group of eight Jews who for two years and one month hid in a cramped attic over a warehouse in Amsterdam to escape the Gestapo. Included in the party were Anne Frank; her father, mother, and sister; another couple and their son, who was three years older than Anne; and a middle-aged dentist, who joined them later. The result of Anne's recording her daily events and feelings in her diary has been this play, a portrait of adolescence of an enchanting girl, with a background of the emotional strains in a secret household. The homely details of this almost incredible example of the will to survive and of the selflessness of a few friends on the outside who provided food and protection stirs the hearts of all men.

"Usually, when I come up here, I try to bring some bit of good news. What's the use of telling you the bad news when there's nothing that you can do about it? But today something has happened . . ."

"When I think of all that's out there . . . and the goodness of the people we know . . . I'm not afraid anymore."

"Good evening, everyone. Forgive me if I don't stay. I have a friend waiting for me in there. My friend Tom. Tom Cat. Some people say that we look alike. But Tom has the most beautiful whiskers, and I have only a little fuzz. I am hoping . . . in time . . ."

"Look, Peter, the sky. Aren't the clouds beautiful?"

The choir is highly regarded throughout the school. It has helped to make the Colonials one of the most respected student bodies in the city because of its many excellent and worthwhile performances in the community. It has performed for the men at Barnes Veterans Hospital in Vancouver and at the Veterans Hospital in Portland. It sang in our Christmas and spring music programs.

## SENIOR COUNSELLORS

### COUNSELLOR'S MESSAGE TO CLASS OF '65

Youth is not a time of life, it is a state of mind. You are as young as your self-confidence, as old as your fear.

It is our wish that you have the ambition to seek an education throughout your lives, including not only mastery of knowledge contained in books, but growth in wisdom, individuality, courage, and love and pride for your country. As Abraham Lincoln once said, "the secret of life is in working toward a goal—not in attaining it."

Miss McRae  
Mr. Milokna

Understanding, knowledge and truth are the most important factors in our lives. Through understanding we learn to live in our society. Without understanding we can accomplish nothing for we must see the views of others to clearly know our own. Today our young generation, according to parents, is the worst of all. However, Socrates wrote in 394 B.C.: "The children now love luxury: they contradict their parents . . . and tyrannize their teachers." So we are normal!

Knowledge is an all-important factor in our lives. Knowledge was offered to us in school and we took as much as we wanted. With the knowledge we have attained, we have a base on which to build futures. We hope that basis is a strong one.

The final and often the most important factor is truth. Truth not only means honesty toward others but it also means "to thine own self be true." Being truthful about ourselves, leads to self improvement; and improvement within one's self is the key to success.

Our educators have tried to instill in us understanding, knowledge, and truth. Attaining these qualities are goals for the future because they lead to a prosperous and purposeful life.

## A SUMMER IN ITALY

Nancy DeGraw, Washington's American Field Service exchange student to Italy.

Nancy's apartment home in Modena, Italy.

Nancy's "sisters," Gabriella and Sandra.

Nancy's Italian family, the Bertoli's.

Nancy with her "family."

My being an American Field Service exchange student to Italy was the most rewarding and memorable experience of my life. I was given the opportunity to activate the ideals stated in the motto of the American Field Service: "Walk together, talk together, O ye peoples of the earth; then, and only then, shall ye have peace."

While in Italy I met people from many walks of life and made some lasting friendships. I bathed in the warm sun and sea of the beautiful Adriatic; I enjoyed the coolness of the majestic snow-capped Alps; I went bicycling and dancing with my Italian sisters and their friends. I loved my family, the Bertoli's, as my own; for they readily accepted me as their daughter and sister and were eager to show me their way of life.

## A SCHOOL YEAR IN AMERICA

Lesley Hackett, Washington's American Field Service exchange student from Australia.

Dear Colonials:

My year at Wa-Hi has been a very rewarding one, thanks to all of you. When a teenager leaves home for the first time, he experiences a lot of curiosity and apprehension. Your spontaneous friendliness and help have made any misgivings a memory that passed during the first few weeks at Wa-Hi.

I have loved every moment of my American life, at school and at home. I say "home" because my American family has made it that way for me. I am sincerely grateful and indebted to them for the delightful hours we have spent together. Soon I will be leaving them and all of the "Mighty Colonials"; a part of my heart will remain behind.

In years to come, I hope you will continue to support A.F.S. and give your exchange student all you have given me; for A.F.S. has made this year the happiest of my life.

In closing, I hope none of you will ever pass up a chance to come to Australia. My home will always be open to you so that you can learn and enjoy our customs, as I have learned and now love yours.

I wish you every success in the years ahead.

With love from your A.F.S.er

"Do I want to become a teacher?" is the question that the girls in the Colonial Chapter of Future Teachers of America are seeking to answer. By means of learning about teacher preparation; student, elementary and secondary teaching; instructing in foreign countries and in the Peace Corps, this club was established to promote an active interest in teaching among high school students. Qualified speakers, workshops, meetings with other chapters, state and regional conventions, and a new program of observation initiated with the cooperation of Buckman Elementary School, help members plan their careers in education.

Money-raising projects are also included in the activities of these future teachers who sponsored an apple sale for American Education Week and also sold school sweatshirts. All the money goes into scholarship fund for sending members to summer conferences at Oregon College of Education and Southern Oregon College.

The order of the "W" is an honorary club consisting of men earning varsity letters in athletics at Washington High School. Its purpose is to promote enthusiasm in the athletic program, to set an example of co-operation between students and teachers, and to provide supervisory service such as patrolling the auditorium or gym during assemblies when called upon to do so by the school administration or faculty. Among their other activities, these men sponsor two dances: the Shamrock and Pancake Balls. The Spring Athletic Banquet which is held at the end of the year to honor all Washington High School athletes is also planned and sponsored by the men in the Order of "W."

An honorary service club, Cleves derives its name from its motto, "A Club for *Every* Service." The six C's candid, conscientious, cheerful, cooperative, companionable and courteous, are qualities found in every Cleves girl. Sophomore, junior and senior girls who possess these qualities and others of leadership and scholarship are selected by the faculty for admission to membership.

Each member contributes at least two hours of service to her school and community each month. Cleves' activities include ushering at many school and civic functions, sponsoring a faculty tea in the Fall and an Easter party in the Spring for the children and grandchildren of the faculty, having a potluck dinner and a picnic with N.H.S. and Knights and a rummage sale in June. In addition, Cleves annually awards a scholarship to a deserving graduating member.

Thespians is a national organization designed to promote the advancement of the dramatic arts in high school. It gives recognition to all outstanding drama students who have contributed one hundred hours of service to the Drama Department. By their participation in state and regional conferences, Washington's Thespians have given our school much public recognition as they portrayed "Taming of the Shrew" in Ashland.

Thespians' responsibility is not only to sponsor various plays in school but also to create an atmosphere of understanding and enjoyment of the dramatic arts.

Euk, which is the second oldest boys' club in the state of Oregon, serves Washington High School with both social and service activities.

Two major service projects of this year have been very important ones. In the Fall, Euk men worked in the fish pond booth at the Mt. Tabor Elementary School Carnival. Also, on Christmas Day the members of Euk helped the Salvation Army serve turkey dinners to underprivileged persons. In addition, they washed a statue and polished trophies for other club projects.

Since social activities must balance the scale, Euk has friendship meetings with girls' clubs and participates in inter-club football and basketball games.

## PACK

First row: Chuck Stevens (Pres.), Bob Lindgren, Phil Hockman (V. Pres.), Steve Elle, Norm Hunt (V. Pres.), Ron Bockman. Second row: Jerry Sand, Thumpy Shisler, Ron Sargeant, Dave Emmett (Sgt-at-Arms), Mike Condit, Phil Muir, Dan Carpenter, Allen Reinmiller, Mike Raffaele (Sgt-at-Arms). Third row: Jim Churchwell, John Piestrak, Randy Capri (Sec.), Craig Olsen, Ed Olsen, Jim Hartley, Milton Dennis, Dewey Bauer. Fourth row: John Randolph, Duane Epton, Sam Challis, Steve Mar, Terry Merkling, Jim Piestrak (Treas.), John Haek.

Pack, a social-service club is made up of individuals with diversified interests. When these individuals unite in a service or social activity, a feeling of comradeship is built which is beneficial to Pack men and members of the school and community.

Pack serves the school by participating in athletics and working in the Student Body Store. Helping to construct a church in the neighborhood is an example of Pack's community service. The entire club helped the firemen in the "Toy and Joy Maker Drive" and collected canned food for the Sunshine Division.

Social activities include inter-club football and basketball games, and meetings with girls' clubs.

Trix has kept its members busy by drawing up a new program of service. This program's basic ideas are to keep the Washington area litter-free by a means of "clean-up squads" and doing worthwhile projects for the park bureau, such as putting sawdust on rose bushes. Participation in school activities by helping with the annual Pancake Ball was included in the program. In addition, several members worked at various jobs throughout the community.

Besides service projects, Trix members had fun-filled football and basketball games with Euk and Pack. Trix men had the opportunity to have these games filmed for their amusement and pleasure. A paper drive, pickle sale and bake sale increased their treasury.

Trix members will always remember the friendships with girls' clubs they had this year.

The boys strive to maintain the ideals on which their club was formed and to develop club pride among its members.

You can't tell a game from a dance without the help of a Masque Watchword calendar sold annually by this organization, active since 1921. The women of Masque strive to promote friendliness, character, and loyalty through school and community service combined with a well-balanced social program.

A portion of this year's service activities included making dolls and puppets for underprivileged youngsters, scrapbooks and sand toys for children's hospitals as well as donating many hours of service to Portland Sanitarium and Providence Hospitals. They also furthered goodwill around the school by making Valentine cupcakes and sponsoring a tea for the faculty in addition to polishing the seats in the auditorium. Car washes and bake sales wound up a busy year.

Service activities combined with social functions such as friendships with boys' and other girls' clubs and sponsoring the traditional Cotton 'N' Cord Dance help them to prepare for a well-adjusted adult life.

"Mum" was the word the first week of school this year as Nu Chi sold mums for Washington's Homecoming. Among Nu Chi's service activities were serving at the Pancake Ball, making scrapbooks for the children at Waverly Baby Home, stuffing Christmas stockings, "adopting" grandparents from a convalescent home, and serving at the several banquets held at Washington.

The sale of service bonds provided many hours of service to the community, in addition to being a profitable money-making project. Cupcake sales, a car wash, and a rummage sale were other profitable ventures.

Through their varied social events, Nu Chi members promoted their motto, "Friendship." In addition to several friendship meetings with boys' and girls' clubs, one of the most enjoyable events was an Alumnae Tea.

Carrying pails, soap and brushes, the members of Phreno visited the statues of Washington, Roosevelt and Lincoln prepared to wash away the grime of the city. Also Providence and Shriner's hospitals have experienced the result of Phreno's hard-working girls as they wheeled the service and library carts around to all the patients. Together at service parties, the members have made joke books, and decorative tray covers in order to create a more cheerful environment for the patients at these hospitals.

Phreno girls will also have memories of this year's friendships with boys and girls clubs, car washes, date meetings, a dance sponsorship, bake sales, and rummage sales.

Feeling that school spirit is represented by contribution to the Washington community, Phreno painted the school garbage cans, and sold pom poms on "Freshman Orientation Day."

Truly the girls have profited from their club's activities as they fulfilled their motto "As the labor, so the reward."

To prove that Gamma Sigma is an outstanding service club at Washington High School, its members worked to win the service trophy, which is presented twice yearly to the club with the largest amount of service points, for the sixth consecutive time. Gamma Sig members visited the Waverly Baby Home every Sunday to entertain and play with the children, washed and dressed two hundred dolls for the Toy and Joy Makers at Christmas time, served dinners to the members of the Chin-up Club, a club for handicapped men and women, marched in the Leukemia drive and contributed food to the Sunshine Division and to the flood disaster.

The members of Gamma Sig find fun in coeducational social activities. They earn money from car washes, rummage sales, bake sales and candy sales. Besides service, social events, and earning money, Gamma Sig gives a one-hundred dollar scholarship to a deserving senior girl.

This year Neak, formerly called Neakahnne, celebrated its 37th birthday. It originated as a liberal arts club with the motto "Pleasure With Profit."

One of the big projects of the year was working at the Albertina Kerr Home for Children. Throughout the year we visited them; we enjoyed working, talking, playing, reading with them and at Christmas time Neak girls found time to give a successful Christmas party for these unfortunate children.

Our other service project was making doll clothes for the Goodwill. Also, each girl in Neak had individual projects such as baby-sitting in their church nursery or working in the church library.

"Buy your octopus!" is the annual cry heard as we make and sell our traditional octopi.

PEP has the large responsibility of providing the main body of spirit for the athletic events. This year new features were added to the club's traditional functions. The tea to honor the new members, the potluck for the enjoyment of all, and the selections of a spirited girl each month were the most important new activities.

PEP girls attended the football and basketball games, held a major candy sale, participated in several bake sales, sponsored a tea for the faculty, and gave a scholarship to a worthy senior girl.

The Spirited Girl was developed to recognize the many girls who have worked hard for PEP. This has helped to instigate spirit and participation within the club. The girls nominated those they thought were worthy of this honor. From these nominations a girl was chosen to represent each class.

Each girl takes the personal initiative to attend all games and club functions. To work with many people and encourage the team are the goals of the members. PEP girls are proud to represent Washington.

Laye  
Do a real sweet girl  
from a nice girl I hope  
everyth thing goes all  
right for you, and I  
hope you keep care of  
your self

## LENS STAFF

In a matter of four minutes, Room 10 is transformed from an English classroom to a publication, photo-graphics office. The clicking of typewriters, the odor of rubber cement, talk of layouts, copy, and photo-cropping filters through the air. This is characteristic of Room 10 sixth and seventh periods, in the morning, after school, and on Tuesday evenings.

The responsibility of Washington's largest expenditure in the amount of \$7,000 and the project of attaining an additional \$1,500 through advertising and budgeting gave the LENS staff members an opportunity to learn financial know-how.

A number of "firsts" were instigated into this year's LENS including international advertising. Through the experience of producing the LENS, the staff has learned not only publication methods, but also the importance of better business procedures and the protocol of public relations.

## WASHINGTONIAN STAFF

The Washingtonian is the Colonial newspaper published bi-monthly by the second-year journalism students. Staff members were selected from the beginning journalism class by Mr. James Maloney, staff advisor.

The goal of the fourteen-member staff was to present news of interest to all—students, faculty, and personnel. Stories of social activities, sports, student government, dramatics—all phases of school life were included.

Entering the journalism competition at Forest Grove were five of the staff members. Each student was given an hour to write a news action on a certain topic. These articles were judged by newspapermen and journalists and then the awards were handed out at a banquet. Participation on the Washingtonian staff and in writing competition has promoted interest in the field of journalism.

Editor-in-Chief Shirlee Robertson prepares to put the Washingtonian to bed.

Cine is a service club which was organized to assist teachers and students by informing them of the proper methods of use in the operation of audio-visual equipment. The club assumes many responsibilities during the year, as the members are kept busy operating movie projectors, tape recorders, and the public address system.

A money-making activity of the club is the showing of noon movies which are selected, advertised, shown, and paid for by the club. Members of the stage crew are in Cine, and they work hand in hand with other members to assist in the presentation of all movies, assemblies and plays.

# ADMINISTRATORS AND FACULTY

## Principal

Washington High School, over a span of nearly sixty years, has produced great scholars, notable public figures, and tremendously successful athletic teams. It was the first school in Portland, and perhaps in the state of Oregon, to organize and charter a National Honor Society. Her vocal and instrumental music departments have won high honors and adulation throughout the state.

Now Washington High School has gained fame and public recognition of the highest order in a new field, that of international relations through a highly successful sister school relationship with the Minami High School of Sapporo City in the province of Hokkaido, Japan. Washington High School was the first in the city of Portland to see the educational and cultural advantages of the sister school program as a natural extension of the sister city program, begun under the enlightened leadership of the Honorable Terry D. Schrunk, Mayor of Portland.

It is most fitting and proper that the 1964-65 Yearbook, the *Lens*, be dedicated to a unique, satisfying, and highly rewarding relationship with the oldest and most famous high school in our sister city of Sapporo, Japan.

May the enthusiastic student body of Washington High School continue their outstanding accomplishments through the coming years.

MR. HAROLD A. YORK, *Principal*

MISS MARY I. WITHYCOMBE

VICE PRINCIPAL  
DEAN OF GIRLS

As administrative Vice Principal, Miss Withycombe holds the longest tenure at Washington. In addition to being in charge of an extensive counselling program, she serves as acting principal in the absence of Mr. York.

Although busy, Miss Withycombe finds time for her duties as Dean of Girls and advisor to Girls' League. Many of the League's activities could not be carried on without her advice and encouragement.

Participating in A.F.S. and scholarship committees and arranging the selection of the Rose Festival Princess are a few of her additional contributions to Washington.

MR. RICHARD A. HILDRETH

VICE PRINCIPAL  
DEAN OF BOYS

Mr. Hildreth has the responsibility of guiding the boys into productive responsible positions in our school. He is the advisor of Boys' League and supervisor of the fire and air raid squad, which must be capable of providing plans for the smoothest and quickest movement of students out of the building or to cover in case of emergency. Among his other responsibilities are the Baccalaureate and Commencement for the Seniors, the school activities calendar and the clearing of activities.

Work Hard All Year Long

MR. ROBERT E. TAYLOR

## CURRICULUM VICE PRINCIPAL

Of the many new people seen at Washington this year is Mr. Taylor, curriculum vice-principal. Prior to his arrival at Washington, Mr. Taylor was in the business education department and was in charge of the counseling and guidance at Franklin High School for eight years. During his first year at Washington he has instigated helpful programs for both students and teachers. He has helped initiate a more efficient method of forecasting, the new tutoring program and the IBM report card system.

MR. DONALD P. SPIERING

## ACTIVITIES DIRECTOR

This year we were proud to welcome to Washington, Mr. Donald Spiering, our new Activities Director. Before coming to Wa-Hi he taught at Tillamook High School and then was manager of the Portland Zoological Society.

A welcome friend to the students, Mr. Spiering's responsibilities include coordinating club activities, supervising student elections, advising the executive council and assisting in the planning of all school activities. In addition to his other duties, Mr. Spiering conducts a student leadership class for those students interested in learning about the school government.

## In Appreciation of Mrs. Inez Hiltunen

In addition to her custodial duties, she finds time to brighten up the office and other rooms in the school by making creative paper flowers.

Retiring this year after thirty-six years of service to the Portland Public School System, Mrs. Inez Hiltunen will be missed as a warm, companionable person. Although she has been at Washington only two years, she has endeared herself to the students and the faculty through her kindness and congeniality.

Born in Finland, Mrs. Hiltunen came to America and started working as a matron in 1929. For thirty years she was employed at Girls Polytechnic, followed by four years at Roosevelt High School.

A well-earned thank you, Mrs. Hiltunen, from all of us at Washington.

## To Welcome

Mrs. Blanche Massey

French

Mrs. Massey came to Washington to take over for Mrs. Hall during the Spring season.

## In Memory of Mrs. Leonore Johnson

Mrs. Johnson gets the attention of her students in French class through her effervescent personality.

Madame Johnson was an exquisite woman of refined ways and perfected tastes. Her absolute *joi de vie* was portrayed by a personality and a way of life filled with the effervescence attained only by one who truly loved living. This sparkling way she lived each day influenced all who came in contact with her, and she spread joy to many who found it only in her. Active in the American Field Service, Phreno social service club, and as head of the Washington High School French Department for over thirteen years, she endeared herself to all who came to know her. Mrs. Johnson was one of the most vivacious women we shall ever know. She will remain in our hearts as the affectionate person she was.

Our most lovely feature is the beautiful lake where we are situated. Our guests can enjoy boating, eleven stories of air-conditioned rooms with private baths, 15 banquet and dining rooms, continental restaurants, Hokkaido local cuisine restaurant "Ishikari," genuine Chinese cuisine restaurant "Togenkyo" or "Shangrila," 36 bowling alleys. We extend the warmest good wishes to our beautiful sister-city affiliate. Let our standard be elegance!

Greetings from the Beautiful Hotel Benson on Broadway  
to the Sensational Hotel San-ai in Sapporo!

Alas, we lack a lake! Although some of our faithful customers do comment on the gentle Portland moisture, none yet has successfully gone boating on Broadway. We are three dozen short of San-ai's total of 36 bowling alleys, too, but we feel no envy—only the mellowest of good wishes for our illustrious counterpart in our sister city of Sapporo.
